

Watersplash Farm, Shepperton

Following an initial public display in January 2012 of the proposals for Watersplash Farm, we have been in regular contact with the Lower Sunbury Residents' Association (LoSRA) and Shepperton and Sunbury Against Gravel Extraction (SSAGE) about the proposed development.

The modified proposals have now been submitted to Surrey County Council and the application should be determined later this year. To update local residents on the amended plans, we will be holding a further public display.

The Holiday Inn, Felix Lane, Shepperton

Friday, 22nd March, 1 p.m. – 8 p.m.

Saturday 23rd March, 9 a.m. – 1 p.m

Please come along to view and discuss the proposals with company representatives.

Details can also be found on the Shepperton section of our communities website at www.cemexcommunities.co.uk
